

Warranty Time Period for Non-Warranty Repairs

All non-warranty repairs completed by EAW (Eastern Acoustic Works) are warrantied for 90 days from the day the repaired item is shipped from EAW's repair center.

If any issues arise directly with the repair we will address them at no additional cost to you. Our team of technicians takes great pride in their work and strives to ensure that each repair is completed to the highest standards. We are confident in our ability to provide you with reliable and long-lasting repairs.

Please note that this warranty does not cover any damages caused by misuse, neglect, or accidents unrelated to the original repair service. Additionally, if any modifications or alterations are made to the repair after our service, the warranty will be voided.

Thank you for using EAW for your repairs.

Sincerely,
All of us here at EAW
